This Town Hall Meeting is open to the public. Appetizers and beverages will be served.

State of Michigan officials and members of the Michigan legislature are encouraged to attend.

Topics of discussion may include professional licensing issues for health care professionals, business growth, safety, education, and more.

Please take this opportunity to express your thoughts and suggestions to make Michigan an even greater place to live - for all of us.

The Michigan Asian Pacific American Affairs Commission (MAPAAC) was established to advance the full and equal participation of Asian and Pacific Americans in the building of a greater Michigan. Appointed by the Governor, the commission advises the Governor and state legislature on policy matters and serves the needs of Michigan's Asian and Pacific American population.

The Michigan Asian Pacific American Caucus is a bi-cameral, bipartisan caucus comprised of members of the Michigan legislature who identify as Asian Pacific American and members who represent districts with large concentrations of Asian Pacific American residents. The caucus works to address the needs and concerns of the Asian Pacific community.
