Join us to support ACA during May as we celebrate the AAPI Heritage Month!

Dear friends,

Greetings from the Association of Chinese Americans, Inc. (ACA). Thank you for your support of ACA. 2022 marks the 50th anniversary of the founding of ACA, a momentous milestone at a turning point in history. ACA will continue to provide quality educational, economic, cultural, and social services for our community members. We will keep working diligently to make our programs at the Detroit Service Center, Chinese Community Center in Madison Heights, and Canton Center hallmarks of our collaborative and community partnership efforts.

But, we can not do this without you. Our commitment to community service will require investment in new tools and resources for the programming and maintenance of our three centers for the health, safety, and enjoyment of those we serve. Your support will help make much and many of these possible.

In May, ACA is participating in Give In May as the first event of its 50th Anniversary Capital Campaign. Give In May is a national donation campaign to support organizations serving the Asian American and Pacific Islander (AAPI) community during AAPI Heritage Month. Funds raised will support ACA's 50th Anniversary Capital Campaign. In addition, we hope to win one of the cash prizes for the most dollars raised or unique donors.
